Verse 1:

Cover me, oh Lord

Cover me, oh Lord with the blanket You are weaving

The winter's getting cold (and) I have no one left to hold, oh, Your love will never leave me

Chorus:

You say You love me just as I am

G Em C D

And when I fall away, there you'll stay, holding out Your hands

You say You love me as much as you can Asus4 C Asus4 C

And now I'm coming back, I'm running back into Your arms again, into Your arms again

Verse 3:

Cover me, oh Lord as a roof over a family

The air is getting thin and the light is getting dim, oh, I need Your love to claim me

Verse 4:

Cover me, oh Lord with the fabric You are spinning

His grip is getting firm and I have nowhere left to turn, oh, I need Your love to win me

<Chorus>
