Intro: C G/E F (f fast note) Am/F G (4x)

## Verse 1:

C G/E F (F fast note) Am/F G  
(I) Went outside to see what was going on  
Cannot hide, it’s all coming way too strong  
I realized my game of hide and seek is done  
Rub my eyes to find the seeker is the One

## Chorus:

Am G/B C F  
Who found all the others, and opened up their eyes  
Am G/B C F  
Now they’re brothers, who share the same prize  
Am G/B C D  
You can run. You can hide. You can pretend there’s warmth inside  
F G C...  
Thank God the Seeker found me, smiled and said, “You’re mine!”

## Verse 2:

(Oh) Happy day! Even though I lost the game  
I won a way to live my life in Jesus’ Name  
Now I pray my life will never be the same  
(Hip) Hip hooray in victory ‘cause guess who came, the One

<Chorus (Repeat “You’re mine” 2x)>
