Verse 1:

(Take my) heart, and clean it out
(Cause) I don't need it anymore with what I have allowed
(I know) one thing, that I am nothing without You

Verse 2:

(Take my) thoughts, and make them Yours
(Take) all of my transgressions - make me pure
(I know) one thing, that I am nothing without You

Chorus:

(The) gift of life you've given me, I took and made my own
(My) selfish satisfaction won
(But) praise the Lord Almighty! He gave His only Son
(To) redeem what I had taken away
(To) redeem what I had taken away

Verse 3:

(Take my) strength, and tear it down
(With) all that I had used it for when no one was around
(For I know) one thing, that I am nothing without You

Verse 4:

(Take my) hands, and make them clean
(For) all that I had held in them to make the most of me
(For I know) one thing, that I am nothing without You

<Chorus, repeat last line again just piano>

Verse 5:

(Take my) life, and rescue me
(I) tried to live it on my own, but now I can see
(Now I know) one thing, that I am nothing without You
