Verse 1:

D2 G2 D/F# G2
Ever since my first breath, I've been waiting for you

Nearly with no hope left of finding something so true
I knew that someone down here could complete my life
(But) it was never so clear until I let Jesus drive

Bm D/F# G2 A A/A#
You came into my life and quickly took my breath away
Bm D/F# G2 A
You are the one and I will sing it always, that I

D G D/F# A D G D/F# A
I lo__ve you! You know, Katie, I lo__ve you!

Verse 2:

Every day's a new day (to) celebrate this with you
Watching God's perfect grace (lift up and) carry us through
(We'll spend) the rest of our lives (together) in His hands
(And when) I look in your eyes, (I know that) this is His plan

<Pre-Chorus>

<Chorus>

When a day brings sunshine or when it brings the rain
I will know you are mine and love you all the same (repeat)

<Chorus (2x w/ "la la la" between)>
