And if I fall, please understand
A/E E B Bsus B
That I'm working with a heart that does what it can for You

With all that You are, You take me as I am
B/D# E
You don't just see me as another broken man
A/E E B
But a child made clean by the blood of the Lamb for You

You know that every day I find a different way
To break Your heart and run away
I thought that I could find my way alone
But here I am and there You are
B/D# C#m⁷
My spirit has been healed by my Redeemer's scars
I may fall away but I can't go far from home

A/E E B A/E E B
My spi - rit sings, I'm redeemed

C#m⁷ B/D#

A/E E
Christ has set us free (I'm livin' forgiven (2x))

A/E B B/A# B/G# B/F# | A/E E | B/D# C#m⁷ | A/E E | B % |
I have been redeemed! I have been redeemed!

I want to live in light of what You've done
The old has gone, the new has come
I once was away but now have become a friend
I can only sing of this rescuing
Because Your life was an offering
By man I am born once but by the Spirit I am born again
