F/C C
I'm reaching out to You with both my hands
G/B C
And if I fall, please understand
F/C C G Gsus G
That I'm working with a heart that does what it can for You
F/C C
With all that You are, You take me as I am
G/B C
You don't just see me as another broken man
F/C C G Gsus G
But a child made clean by the blood of the Lamb for You

You know that every day I find a different way
To break Your heart and run away
I thought that I could find my way alone
But here I am and there You are
G/B Am⁷
My spirit has been healed by my Redeemer's scars
I may fall away but I can't go far from home

F/C C G F/C C G
My spi - rit sings, I'm redeemed

Am⁷ Gsus/B
There is no more condemnation
F/C C
Christ has set us free (I'm livin' forgiven (2x))
Am⁷ D2
Now I am a new creation

F/C G G/F G/E G/D | F/C C | G/B Am⁷ | F/C C | G % |
I have been redeemed! I have been redeemed!

I want to live in light of what You've done
The old has gone, the new has come
I once was away but now have become a friend
I can only sing of this rescuing
Because Your life was an offering
By man I am born once but by the Spirit I am born again
