Intro: C#m G#m⁷ B F#m

C#m G#m⁷
I used to be so satisfied by what You've done for me
B F#m
Only living for the wealth of all eternity
C#m G#m⁷
My wants and needs, provided for, my eyes were set on You
B A
My joy was overflowing, living in the Truth

C#m G#m⁷
Now, over time You led me, in ways I could and could not see
B F#m
But my satisfaction shifted, my eyes now set on me
C#m G#m⁷
No longer trusting Providence, but looking to myself
B A
My vision clouded by this fog, that's when I fell

F#m C#m B
But (and) now I look to You
F#m B
And to You alone

A E B C#m
There is nothing I could earn
A E B
Because everything is Yours
A E C#m B F#m
You freely give all that I need and I
A B
Will trust You more and more

C#m G#m⁷
I'm learning that my deepest need is trusting You alone
B F#m
Forever clinging to Your hand, and never letting go
C#m G#m⁷
My worth is not in what I have, or what I claim to be
B A
My only gain is that You gave Your life to set me free
