## Verse 1:

D1 C2 G/B D/A (C D2 D C D2 D)

Another day – still got the Spirit in me  
And today, I'll let my God work through me  
C2

I'm excited for what God's got in store  
(My) flame's ignited; (let's) win some for the Lord

## Chorus:

D C2 G/B D/A  
I will not hold back! (No) I've had enough of that  
G D/F# Em2  
Spread the news, you won't lose – you will win souls  
I am pressing on! (Yeah) I've got my armor on  
Shine your light, fight the fight – you will win souls

## Verse 2:

Spreading cheer – I'm feeling just like Santa Clause  
Go from here; give the gift that changes all  
(We) need to hurry, 'cause Judgment's on the way  
(But) don't you worry; He'll give you the words to say

<Chorus>

## Refrain:

Bm7 G (C D2 D C D2 D)  
And tomorrow, another soul is won by what you say  
Bm7 G Gm  
And tomorrow, they'll have the everlasting life; thanking us for showing them the way

## Verse 3:

On the line: a gift we call eternal life  
Time to shine, and bring some people back to Christ  
We can give it and raise souls from the dead  
(If) we just live it and share what Jesus said  
<Chorus>
